ATHLETIC CLUB ON COAST ORTAINS SERVICES OF F. A. CADY Philadelphia, June 2—The Los Angeles Athletic club of Cantornal cas obtained the services of Prederick A.

Cady, for fifteen years a swimming coach in this city.

It is his intention to take charge there in the near future. Among the well known awimmers to whom he will pay special attention are lady Langer,
Miss Dorothy Burns and Miss Alben
Allen. He is of the opinion that they
will represent the United States in the
Olympics. Probably the best known

of the three is Langer, who is one of the best middle distance swimmers in the country and ranks next to Nerman Ross. Langer recently sprung a surprise when he won the 500 yard title in Hawaii. He holds the outdoor record for 1,000 yards. Cady started his career as a swim-

record for 1,000 yards.
Cady started his career as a swimming coach at the old Asher's pool hers. He later took charge at the Central Y. M. C. A., where he developed such men as Edwin G. Schall, Henry Scott and Edward C. Drum.
Becoming affiliated with the Argo Swimming club he continued to bring men to the fore. He developed the late Ernest Sopp and Gilbert Tomilnson, both of whom made quite a stir in aquatic circles by their performances.

presence of a crowd estimated to aggregate nearly one million.
Spion Kop, owned by Major G. Loder, won the race with Lord Derby's Archaic second and Sir H. Cunliffe-Owen's Orpheus third. The favorite allends and Tetratema finished in the ruck.

In the betting Spion Kop was 16 to 1 and Archaic 10 to 1, while almost anywhere among the layers of odds as high as 50 to 1 could be obtained on Orpheus. Nineteen horses faced the starter.

the Seventh Olympiad in which America will be represented except golf and perhaps boxing. Having already won, on points, the ice events which opened the Olympic program. Swedish athletes who were here for the hockey and skating contests have returned to Stockholm full of enthusiasm. The Swedes will send a strong team here for the shooting events July 24-31 and thereafter, according to present plans, will send representatives to compete in bicycling, athletics, tennis, wrestling, fencing, swimming, gymnasts, weight lifting, rowing, association football and equestrian games.

Preliminary training for the Swedish team has begun. These athletes will come to Antwerp probably aboard a chartered ship, suriving only two or three days before the bestmang of the games, thus avolding, so far as possible, the necessity of training in Antwerp's rather humid climate.

"We count on a clean sweep in gymnastics, our chances are good in bicycling and shooting and we will be very strong in all the cumning races up to the half mile, in the weights and in the Jumps," one Swedish stand in the Jumps, one Swedish stand in the Jumps, one Swedish stand ent.

New York, June 2.—The stock market

was in a state of suspended animation

during the greater part of today's desul-tory dealings transactions for the full session scarcely totalling 450,000 shares.

Price tendencies were mainly down-ward again, although losses, except among

selected issues, were partly retrieved when the money market developed un-expected case and the short found it ex-

A steadier tone prevailed in foreign exchange, especially the London quota-tion, which rose about 5 cents to the

ound over yesterday's final price on heavy purchases a smalling blus. The Paris rate also recorded material im-provement, but marks reacted.

Advices dealing with industrial condi-tions were conflicting, the equipment companies reporting moderate buying,

while additional curtailment of operations was indicated in the woolen, cotton and leather industries. Larger deliveries of finished steel and iron products reflect further relief in the freight situation.

Aside from the relative firmness of low priced ralls and pressure against in-vestment issues of that group, stocks

showed no alteration from their recent hesitant tone. The moderate rally in the final trading made greater headway in

speculative issues than among standard shares, where net declines ruled. Dullness in stocks extended to the bond

The Eldorado Stage Co. of Los Angeles tested 22 leading makes on 12-passenger Packard buses. Not a tire was found to match the Millers in that extreme service.

Some Costly Mistakes

Men are Making on Tires

Men who buy tires on a guess, or on

claims, are making some costly mistakes. Large tire users make tests and comparisons. And the results in late years are amazing.

Hudson Taxi Co. of Detroit, for instance, made a long test on Miller Cords. And the average was 15,000 miles.

Miller dealers get hundreds to compare Miller mileage with others. And they find an increased mileage of 50 per cent to 75 per cent.

Large truck users are comparing Miller Cords, passenger type, with all others. And they are coming in large numbers to Millers.

quire an average of 15,000 miles on Cords. They prove that the new Miller tread outwears the best of others by 25 per cent.

Such tires should be tested by every owner of a car. See what they give you. Compare with any tire on opposite rear wheels.

Miller experts, in late years, have doubled average tire mileage. Old-times figures do not apply today.

You will fix new requirements for your tires when you try a Miller. Do it now.
